

NPHQ HIGHWAY QUALITY CONFERENCE SAN DIEGO, CALIFORNIA November 13-14, 2007

NPHQ is proud to celebrate its 15-year anniversary as the only national organization that combines public and private expertise to lead the advancement of highway quality, safety and service to highway users.

Come join your colleagues from across the country at the National Partnership for Highway Quality (NPHQ) Conference in San Diego on November 13-14. Learn about the highway community's latest quality innovations, advanced tools and techniques and best practices. Hear about new quality activities now benefiting State DOTs. Find out who will take home the 2007 National Achievement Awards and why these teams stand out as quality leaders. The conference takes place at the Hilton San Diego Resort at Mission Bay. Your registration form and information about making room reservations are below.

Who Should Attend?

Federal, State and local government/public officials, highway design, construction, traffic engineering and maintenance professionals, tollway authorities/operators, contractors, consultants, suppliers and university transportation researchers.
